## Italian Style

- Superior Italian design from almost 100 years of furniture manufacturing experience
- Cribs convert to toddler beds, child's day beds and full-size beds (rails sold separately)
- Most cases have adjustable levelers on front posts/feet
- Nylon glides on cribs and cases to help prevent scratching of floors
- Beautiful upholstered crib headboard

## Top Quality Manufacturing

- All crib slats made of select solid Radiata Pine for its exceptional strength while being environmentally responsible
- All crib slats are glued and nailed, top and bottom
- All composite wood materials (MDF, particle board or plywood) are certified to meet the State of California and EPA requirements for formaldehyde emissions
- Taller cases feature tip restraint kits
- Drawer boxes with soft-closing, full-extension drawer glides for safety and convenience
- Drawer boxes in solid wood with English dovetail joints (front and back)
- Solid wood corner blocks and supports underneath every drawer box for the best construction
- Each drawer box is sanded and finished with a clear top coat to help protect your child's clothing
